

Cesia Montenegro

Full-Stack Developer

cesia.chantal@gmail.com | +506 8677-0737 | San José, CR.

Enthusiastic full-stack Developer with excellent problem-solving, detail-oriented, and creative skills honed through my tech career. I'm seeking a position to contribute my expertise to meaningful full-stack projects.

Experience

Full-Stack Engineer

Pernix Solutions CR

06/2024 – Current

- Lead the team during sprints, acting as Scrum Master to manage delivery processes.
- Develop and maintain front-end applications using React.
- Implement back-end services and APIs with Python, utilizing FastAPI for RESTful APIs.
- Collaborate with the design team to ensure cohesive user experiences.
- Review pull requests (PRs) and provide constructive feedback to ensure code quality.

Operations Support Analyst

Citi Bank

01/2022 – 12/2023

- Conduct real-time analysis and optimization of global banking processes for peak performance, efficiency, and data integrity.
- Implement daily data collection strategies to continually enhance processes.
- Develop modeling techniques to empower data-driven decisions by management.
- Streamline operations and mitigate resource inefficiencies through data-driven insights.

IT Support Engineer

Dell Alienware

06/2020 – 10/2021

- Install and configure computer hardware, software and applications.
- Handle incident management and escalation procedures.
- Respond to technical support calls from other staff members or clients and communicate how to resolve issues.
- Diagnose and troubleshoot system and network problems, software faults or hardware complications.

Cisco Engineer

Sykes Foundever

02/2019 – 03/2020

- Ensure trouble-free video communication between organizations or teams across different locations using Cisco TelePresence.
- Ensure proper network connectivity for Cisco products and services.
- Ensure proper functionality of conferencing infrastructure products offered by Cisco globally.
- Deliver solutions on Cisco video conference infrastructures such as TelePresence endpoints (MX700, IX500, DX80, SX20).
